

Newchurch Award Nominations Invited

Do you have a nomination for the Newchurch Award 2019? Visit www.newchurchvillage.org or email your nomination to nominations@newchurchvillage.org

The Newchurch Award is to annually mark and reward a resident of the parish who has, through their own time, effort and skills, made a significant contribution over a number of years, to the life and facilities of our community. It is no surprise that winners are often drawn from the Parish Council, the PCC, the Village Hall and Social Club committees along with the many other Village organisations.

Closing date for nominations is Friday 20th December
